NECESSITY FOR RILY RACK

The Buyback would help in optimization of the capital structure and improving return on equity by reduction in the equity base, thereby leading to long term increase in shareholders' value

Further, the Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of higher of number of shares as per their entitlement or 15% of the number of shares to be bought back, reserved for the small shareholders. The Company believes that this reservation of 15% for small shareholders would benefit a large number of public shareholders, who

would get classified as "small shareholder". **DETAILS OF PROMOTER SHAREHOLDING**

 - (a) reserved category for Small Shareholders (A "Small Shareholder" Is defined in the Buyback Regulations as a shareholder, who holds equity shares having market value, on the basis of closing price of the Equity Shares on the recognized stock exchange registering the highest trading volume in respect of such shares, as on record date, of not more than ₹ 2,00,000 (Rupees Two Lakh Only)); and
- (b) the general category for all other shareholders, and the entitlement of a shareholder in each category shall be calculated accordingly.
- In accordance with Regulation 6 of the Buyback Regulations, 15% (fifteen per cent) of the number of Equity Shares which the Company proposes to buy back, or number of shares entitled as per shareholding of Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- On the basis of shareholding as on the Record Date, the Company will determine the entitlement of each shareholder to tender their Equity Shares In the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of Equity Shares that the Company will purchase from each Eligible Shareholder will be based on the number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.
- In order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General Category) and the buyback entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding Physical Shares, where the sequence of PANs is identical and where the PANs of all ioint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on Information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by shareholders in that category, and thereafter from shareholders who have tendered over and above their entitlement in other category.
- The Fourty Shareholders' participation in the Buyback will be voluntary. The Equity Shareholders can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Equity Shareholders may also accept a part of their entitlement. The Equity Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Equity Shareholders, if at all.
- The maximum tender under the Buyback by any shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date.
- The Equity Shares tendered as per the entitlement by shareholders as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations.

- The Equity Shares bought back will be extinguished in the manner and following the procedure prescribed in the Buyback Regulations and Companies Act.

RECORD DATE AND SHAREHOLDER ENTITLEMENT

As required under the Buyback Regulations, the Company has fixed Thursday, January 28, 2021 as the record date (the "Record Date") for the purpose of determining the entitlement and the names of the shareholders, who are eligible to participate in the Buyback.

In terms of applicable provisions of Companies Act and Listing Regulations, the Company has also fixed Thursday, January 28, 2021 as the record date for the purpose of determining the entitlement and names of the shareholders for the purpose of payment of Interim Dividend 2020-21.

- The Equity Shares proposed to be bought back by the Company, as part of this Buyback Offer shall be divided in to two categories:
 - (a) reserved category for Small Shareholders (A "Small Shareholder" is defined in the Buyback Regulations as a shareholder, who holds equity shares having market value, on the basis of closing price of the Equity Shares on the recognized stock exchange registering the highest trading volume in respect of such shares, as on record date, of not more than ₹ 2,00,000 (Rupees Two Lakh Only)); and
 - (b) the general category for all other shareholders, and the entitlement of a shareholder in each category shall be calculated accordingly.
- In accordance with Regulation 6 of the Buyback Regulations, 15% (fifteen per cent) of the number of Equity Shares which the Company proposes to buy back, or number of shares entitled as per shareholding of Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- On the basis of shareholding as on the Record Date, the Company will determine the entitlement of each shareholder to tender their Equity Shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of Equity Shares that the Company will purchase from each Eligible Shareholder will be based on the number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.
- In order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General Category) and the buyback entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding Physical Shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by shareholders in that category, and thereafter from shareholders who have tendered over and above their entitlement in other category
- The Equity Shareholders' participation in the Buyback will be voluntary. The Equity Shareholders can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Equity Shareholders may also accept a part of their entitlement. The Equity Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Equity Shareholders, if at all. The maximum tender under the Buyback by any shareholder cannot exceed the number of Equity Shares
- held by the shareholder as on the Record Date. The Equity Shares tendered as per the entitlement by shareholders as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations.

9.10 Detailed Instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent through email along with the application form in due course to the Eligible Shareholders as on Record Date, who have their email IDs registered with the Company/ registrar and transfer agent/ depository, however, on receipt of a request by Registrar to the Buyback Offer and Manager to the Buyback Offer to receive a copy of Letter of Offer in physical format from such Eligible Shareholder (to whom Letter of Offer and Tender Form were emailed), the same shall be sent physically. For all remaining Eligible Shareholders who do not have their email IDs registered with the Company/Registrar to the Buyback / depository, the Letter of Offer along with Tender Form will be sent physically.

METHOD OF SETTLEMENT

Upon finalization of the basis of acceptance as per Buyback Regulations:

- The Company will transfer the funds pertaining to the Buyback to the Company's Broker bank account, who will transfer the funds pertaining to the Buyback to the Clearing Corporation's bank account as per the prescribed schedule. For Equity Shares accepted under the Buyback, the Equity Shareholders will receive funds pay-out in their bank account from the Clearing Corporation.
- The Equity Shares bought back in the demat form would be transferred directly to the escrow account of the Company opened for the Buyback (the "Demat Escrow Account") provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Demat Escrow Account on receipt of the Equity Shares from the clearing and settlement mechanism of the NSE.
- The Fligible Shareholders of the Demat Shares will have to ensure that they keep the depository participant ("DP") account active and unblocked to receive credit in case of return of Equity Shares, due to rejection or due to non-acceptance.
- If the securities transfer instruction is rejected in the depository system, due to any issue then such securities will be transferred to the Shareholder Broker's depository pool account for onward transfer to the Shareholder. In case of custodian participant orders, excess Demat Shares or unaccepted Demat Shares, if any, will be returned to the respective custodian participant. Excess Demat Shares or unaccepted Demat Shares, if any, tendered by the Eligible Shareholders would be returned to them by Clearing Corporation. Any excess Physical Shares pursuant to proportionate acceptance/rejection will be returned back to the concerned Eligible Shareholders directly by the Registrar to the Buyback. The Company is authorized to split the share certificate and issue new consolidated share certificate for the unaccepted Physical Shares, in case the Physical Shares accepted by the Company are less than the Physical Shares tendered by the shareholder in the Buyback.
- In case of certain shareholders viz., NRIs, non-residents etc. (where there are specific regulatory requirements pertaining to funds payout including those prescribed by the RBI) who do not opt to settle through custodians, the funds payout would be given to their respective Shareholder Broker's settlement accounts for releasing the same to such shareholder's account.
- The Shareholder Broker would issue contract note to the Eligible Shareholders tendering Equity Shares in the Buyback. The Company's Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buyback
- The settlements of fund obligation for Demat and Physical Shares shall be effected as per the SEBI circulars and as prescribed by NSE and Clearing Corporation from time to time. For Demat Shares accepted under the Buyback, such beneficial owners will receive funds payout in their bank account as provided by the depository system directly to the Clearing Corporation and in case of Physical Shares, the Clearing Corporation will release the funds to the Shareholder Broker(s) as per secondary market payout mechanism. If such shareholder's bank account details are not available or if the funds transfer instruction is rejected by the Reserve Bank of India ("RBI")/ bank(s), due to any reasons, then the amount payable to the concerned shareholders will be transferred to the Shareholder Broker for onward transfer to such shareholders.
- Eligible Shareholders who intend to participate in the Buyback should consult their respective Shareholder Broker for any cost, applicable taxes, charges and expenses (including brokerage) that may be levied by the Shareholder Broker for tendering Equity Shares in the Buyback (secondary market transaction). The Buyback consideration received by the selling Shareholders, in respect of accepted Equity Shares, could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the selling Eligible Shareholders.
- The Equity Shares bought back will be extinguished in the manner and following the procedure prescribed in the Buyback Regulations and Companies Act.

RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the Buyback Regulations, the Company has fixed Thursday, January 28, 2021 as the record date (the "Record Date") for the purpose of determining the entitlement and the names of the shareholders, who are eligible to participate in the Buyback.
 - In terms of applicable provisions of Companies Act and Listing Regulations, the Company has also fixed Thursday, January 28, 2021 as the record date for the purpose of determining the entitlement and names of the shareholders for the purpose of payment of Interim Dividend 2020-21.
- 9.2 The Equity Shares proposed to be bought back by the Company, as part of this Buyback Offer shall be divided in to two categories:
 - (a) reserved category for Small Shareholders (A "Small Shareholder" is defined in the Buyback Regulations as a shareholder, who holds equity shares having market value, on the basis of closing price of the Equity Shares on the recognized stock exchange registering the highest trading volume in respect of such shares, as on record date, of not more than ₹ 2.00.000 (Rupees Two Lakh Only)); and
 - (b) the general category for all other shareholders, and the entitlement of a shareholder in each category shall be calculated accordingly.
- In accordance with Regulation 6 of the Buyback Regulations, 15% (fifteen per cent) of the number of Equity Shares which the Company proposes to buy back, or number of shares entitled as per shareholding of Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- On the basis of shareholding as on the Record Date, the Company will determine the entitlement of each shareholder to tender their Equity Shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of Equity Shares that the Company will purchase from each Eligible Shareholder will be based on the number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder
- In order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General Category) and the buyback entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding Physical Shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement
- and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by shareholders in that category, and thereafter from shareholders who have tendered over and above their entitlement in other category.
- The Equity Shareholders' participation in the Buyback will be voluntary. The Equity Shareholders can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Equity Shareholders may also accept a part of their entitlement. The Equity Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Equity Shareholders, if at all.
- The maximum tender under the Buyback by any shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date.
- The Equity Shares tendered as per the entitlement by shareholders as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations

9.10 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent through email along with the application form in due course to the Eligible Shareholders as on Record Date, who have their email IDs registered with the Company/ registrar and transfer agent/ depository, however, on receipt of a request by Registrar to the Buyback Offer and Manager to the Buyback Offer to receive a copy of Letter of Offer in physical format from such Eligible Shareholder (to whom Letter of Offer and Tender Form were emailed), the same shall be sent physically. For all remaining Eligible Shareholders who do not have their email IDs registered with the Company/Registrar to the Buyback / depository, the Letter of Offer along with Tender Form will be sent physically
