

GAIL's vigilance awareness initiatives lauded

Central Vigilance (CV) Commissioner Suresh N. Patel recently complimented GAIL (India) Limited for leveraging technology and robust systems during his visit to the GAIL corporate office on the occasion of the Vigilance Awareness Week. He lauded GAIL leadership for its vision and digitalisation of various business processes like centralization of payments and taxes and RPA, which have enhanced transparency, efficiency and ease of doing business for the stakeholders. He emphasised on the need of end-to-end security of e-systems. He urged employees to develop their skill set and keep themselves updated with procedures for their capacity building and upholding core values of integrity.
