

EPMC APPROVED ELIGIBILITY CRITERIA FOR DOMESTIC RLNG BIDDERS FOR PARTICIPATING IN BIDS FOR SUPPLYING RLNG TO FERTILIZER PLANTS IN TERMS OF MoP&NG NOTIFICATION DTD 20.05.2015

Empowered Pool Management Committee (EPMC) comprising representatives from MoPNG, Deptt of Fertilizer, Deptt of Expenditure, PPAC, FICC and GAIL (Pool Operator) during its 18th meeting held on 23rd March'16 and its amendment dated 26.04.2016 has approved following eligibility criteria, which shall be scrutinized by the Pool Operator and the same shall be presented to EPMC for approval or otherwise for enlisting new/additional bidders as the case may be:

a. Access to Re-gasification Terminal:

- Party on its own or through its parent company has valid agreement with any re-gasification terminal in India or
- Party owns and operating Re-gasification terminals in India or
- Party has valid Gas Sales and Purchase Agreement with any RLNG supplier in India / LNG supplier.

b. Access to Gas Transportation Network

- Party has entered into Framework Gas Transportation Agreement (GTA) with pipeline operators for the contractual path for transportation of RLNG to notified fertilizer plants.

c. RLNG supply capability:

- Party has supplied RLNG/Natural Gas to customers in India equal to at least 70 MMSCM in the preceding 12 calendar months prior to the date of floating of tender.

Interested domestic RLNG suppliers will have to submit the adequate documentary proof in support of above criteria to the Pool Operator at following address for approval of EPMC.
