I. INTRODUCTION

- Waste / Bio-mass sources like agricultural residue, cattle dung, sugarcane press mud, municipal solid waste and sewage treatment plant waste, etc. produce bio-gas through the process of anaerobic decomposition. The bio-gas is purified to remove hydrogen sulphide (H₂S), carbon dioxide (CO₂), water vapour and compressed as Compressed Bio Gas (CBG), which has methane (CH₄) content of more than 90%. CBG has calorific value and other properties similar to CNG and hence can be utilized as green renewable automotive fuel. Thus it can replace CNG in automotive, industrial and commercial areas, given the abundance biomass availability within the country.

2. Ministry of Petroleum & Natural Gas has already announced the National Policy on Bio-Fuels 2018, which emphasizes on promotion of advanced Bio-fuels including CBG in the country.
3. To create a steady supply chain for CBG and entrepreneurship opportunities, CBG Plants shall mainly be set up by independent entrepreneurs. CGD Company shall off-take CBG produced from such Plants.
4. CGD entities propose to procure CBG from existing, upcoming & planned Compressed Bio Gas (CBG) Plants in India.
5. The general terms for the APPLICANT shall be on the following lines:–
 - a) APPLICANT shall be responsible for planning, preparation, engineering and execution of the project, including storage of raw material, operation and maintenance of the plant, maintaining final product output quantity and quality, managing the by-products and wastes from the plant as per existing central / state norms and providing performance guarantee for the project at their own cost.
 - b) Setting-up and commissioning of the CBG Plant and its continuous operation is the complete responsibility of the APPLICANT including arranging the entire land and finance.
 - c) Compressed Bio Gas (CBG) to be supplied shall meet **IS 16087:2016** specifications of BIS (detailed below) and any other further revisions in the said specifications.

IS 16087 : 2016 Standard		
S No.	Characteristic	Requirement
1	Methane percentage (CH ₄), minimum	90.0 %
2	Only Carbon Dioxide percentage (CO ₂), maximum	4%
3	Carbon Dioxide (CO ₂)+ Nitrogen (N ₂)+ Oxygen (O ₂) percentage, maximum	10%
4	Oxygen (O ₂) percentage, maximum	0.5%
5	Total sulphur (including H ₂ S) mg/m ³ , maximum	20 mg/m ³
6	Moisture mg/m ³ , maximum	5 mg/m ³

Also as per the **IS 16087:2016** specifications, the following shall also be met

- i. CBG shall be free from liquids over the entire range of temperature and pressure encountered in storage and dispensing system.
- ii. The CBG shall be free from particulate matter such as dirt, dust, etc.
- iii. CBG delivered shall be odorized similar to a level found in local distribution (ref. IS 15319)
- d) The CBG is to be compressed at 250 Bar and supplied through Cascades to the CGD Company Retail Outlets as per the location provided by the CGD company in its GA.
- e) The off-take of CBG by the respective CGD Company shall be as per the demand in the market and it is expected that from the initial phase to the subsequent off-take upto designed capacity of the Plant, the supply shall be increasing gradually over a period of time.
- f) The minimum designed capacity of a single CBG Plant shall be **2.0 Tonnes** per Day (TPD) of CBG.

6. Qualification criteria

- a) The APPLICANT should be of minimum 21 years of age (in case of individual APPLICANT).
- b) The APPLICANT shall be of Indian nationality AND/OR a company registered in India AND/OR Non-Resident Indians/Persons of Indian Origin AND/OR a Multi-National Company having its registered office in India / Overseas Corporate Bodies having its registered office in India.
- c) The Applicant may be a JV, SPV or a Consortium, in such cases Experience and financials of the lead partner shall be considered for evaluation.
- d) The APPLICANT shall follow all the statutory norms as prescribed from time to time by Government of India or local government/government bodies for setting-up and its operation & maintenance of the CBG Plants.

- Copy of Work Order / Purchase Order / LOIs issued to the firm will be considered.
- In case the APPLICANT has set up their own Plant, value of Fixed Assets as per the Balance Sheet of the Firm duly certified by CA will be considered. For verification, the balance sheet of the year / subsequent year on which the Plant was set up shall be undertaken.
- In certain cases, where it can be established that the work has been done and / or the APPLICANT has set up their own Plant but the value could not be ascertained, marks will be awarded as per the criteria 'Minimum 1 project with investment of up to INR 1 Crore'.

- iii. **Turnover:** The sale from core business of the firm submitting EOI will be considered for turnover. Income from incentives, tax benefits, deductions, etc. shall not be considered in turnover. The relevant profit & loss / income and expenditure statement duly certified shall have to accompany EOI submissions.

iv. Technical competencies & tie-ups :

- In case of technical tie-ups, the following will be considered during evaluation
 - MoU with technical partner / service provider
 - Letter / E-mail of confirmation on technology-tie-ups
 - In case of compressor, as the same is sold as a single unit, market survey & quotations.
 - MoU with consultant facilitating technology for the Plants.
 - MoU stating that technology for the entire Plant / production of CBG shall be considered as technical tie-ups for digester, purification system & compressor, even if it is not mentioned separately.
- For APPLICANT possessing in-house technical know-how, the following will be considered during evaluation

- Self-declaration stating possession of technical know-how / mentioned in the EOI application of the same. Details on technical know-how shall also be reflected in "Details on Technology to be used" item of the EOI application.
- If the Party has their own Plant producing CBG and declared in the application, the same shall be considered for the clause Possessing in-house technical know-how.
- Patent letter, if any, shall also be considered.

g) **Evaluation of the EOI application documents**

The SATAT scheme is to be implemented in a rapid manner with 5000 plants targeted by 2023. As per the EOI, a number of documents like registration certificate, work experience proof, financial statements, and technology certification are to be provided by the Applicant as proof of documentary evidence on the above parameters. All documents submitted by the Applicant shall be considered as authentic during the evaluation process and evaluation shall be conducted based on the documents submitted to the specified e-mails & no further investigation or physical examination of the claims made through submitted documents by the applicant shall be carried out.

But in case at a later stage, it is found that any of the information furnished in the documents submitted are not authentic/genuine, the application shall be rejected. If LOI has been issued, the same shall also stand cancelled.

7. **Risks**

The APPLICANT should be well aware of the various risks involved in the setting up the CBG Plant and its marketing and should conduct independent due diligence before committing to any investment decision. CGD Company shall not be responsible for any of their business decisions or any future losses arising due to any unforeseen circumstances.

8. The prospective APPLICANTS shall clearly specify Plant-wise the name of the concerned CGD Company and their respective GA through which they choose to market the CBG. The details of GAs of the CGD entities are given in **Annexure III**.

9. **Business Model for supply of CBG**

Producer(s) / Seller(s) (Party/Entrepreneur) shall deliver CBG, at CGD Company's **existing or new Retail Outlet / Stand-alone Selling Point** through Cascades. The equipment for dispensing CBG at CGD Company *existing or new Retail Outlet / Stand-alone Selling Point* shall be installed and maintained by CGD Company & the CBG nozzles shall be manned and operated by CGD Company or its authorised service agent/ dealer/ representative. The outlet flange of the Cascade / Inlet Flange of Compressor / agreed point at the Retail Outlet shall be the Point of Sale for CBG. The cascade to remain connected to the compressor at retail outlet till the dispensation from the cascade is operationally feasible.

Pricing Framework of CBG

The long term procurement price of CBG as per IS 16087: 2016 standards, compressed at 250 bar pressure and delivered to CGD Retail outlets in cascades shall be as under:

1. Procurement price of CBG from 1.10.2018 to 31.3.2024 : Rs. 46/kg + applicable taxes.
 2. There will be periodic revision in procurement price with effect from 1.4.2024, however minimum procurement price will not be lower than Rs. 46/kg + applicable taxes for the period from 1.4.2024 to 31.3.2029.
10. Finalization of APPLICANTS as mentioned in this EOI Document is an ongoing process as mentioned in the Notice Inviting Tender, which may be further extended depending on the decision of CGD Company. CGD Company reserves the right to discontinue the process at any point of time without assigning any reasons. All applications received shall be evaluated periodically against the qualification criteria mentioned in this EOI Document. On evaluation, if applicant is found to have submitted incomplete or ambiguous documents in support of any qualification criteria, a techno-commercial query may be sent to the applicant seeking clarification / required documents in support of the qualification criteria.

II. GENERAL

1. This document comprises three sections namely, Notice Inviting EOI, Format for submission of EOI (attached as **Annexure-I** including a Cover Letter & its **Annexure-A**)
2. The APPLICANT shall also furnish self-certification of being not under liquidation, court receivership or similar proceeding in support of their fulfilling the eligibility criteria. The same to be provided for all the partners, wherever applicable. A format for the same is attached as **Annexure II**.

- i. On receipt of EOI, CGD shall evaluate EOI based on the details submitted by APPLICANT. In case of incomplete information / documents, CGD Company shall inform the APPLICANT to furnish the required information / documents within stipulated time. CGD company reserves the right to reject the EOI incase required information / documents are not submitted within 01 month of the request.
- ii. Based on qualification criteria, CGD Company shall reject EOI or shall issue LOI along with Draft Commercial Agreement & BG Format to the APPLICANT. LOI issued by CGD companies is legally non-binding till submission of Bank Guarantee.
- iii. On receipt of LOI APPLICANT shall carry out the following:
 - a. APPLICANT shall carry out detailed project feasibility, market survey, feedstock analysis, land identification, technology finalization, off-take mechanism, plant capacity along with quantity ramp up plan, project execution schedule, constitution of the firm (like JV, SPV etc.) and other study / analysis required for setting of CBG plant.
 - b. The land location, off-take mechanism, project execution schedule, commencement date, plant capacity and production ramp up schedule shall be finalised in consultation with CGD Company.

CGD Company will not be responsible for any cost or expenses incurred by the APPLICANT, for carrying out above activities.

- c. The CGD Company may also evaluate, if required, other feasible options like CBG injection into CGD MDPE pipeline network, provisions of Cascade and/or CBG compressors by CGD, providing infrastructure services of MDPE pipeline on chargeable basis, CBG supply into gas storage facilities created by CGD for sale to various types of customers in the clusters etc.
- d. Mutual agreement may be arrived between concerned CGD and CBG entity considering various other feasible options after provisioning of various cost components in the CBG value chain, maintaining the overall intent of proposed pricing framework provided in the EOI.
- e. APPLICANT shall finalise the Commercial Agreement with CGD Company.
- f. The APPLICANT shall submit LOI acceptance along with signed Commercial Agreement to CGD Company within 03 months of LOI date.
- g. The CGD Company reserves the right to extend the time limit of 03 months for submission of LOI acceptance or terminate the LOI if not submitted within 03 months.

5. Bank Guarantee (BG): Within one month of acceptance of LOI, APPLICANT to submit a bank guarantee, to safeguard investment of CGD Company towards retailing of CBG.

The BG shall be provided for minimum period of 03 years as per the format given by the CGD for following value

- a. For existing Plant producing CBG, a bank guarantee amount of Rs. 1 lakh per CBG Plant.
 - b. For other (planned /under construction) CBG Plants, a bank guarantee amount of Rs. 5 lakh per CBG Plant.
6. The APPLICANT is required to furnish all information and documents as called for in this EOI in English language. Any printed literature / documentary evidence submitted in another language, along with the EOI documents needs to be accompanied by an authentic English translation, in which case, for the purpose of interpretation of the document, the English version will govern.

III. **SPECIAL TERMS AND CONDITIONS**

The following are indicative but not exhaustive terms and conditions for supply of CBG to CGD Company

▪ **Business model**

- Specific business model, as mentioned in point 9, to be finalized.
- CBG to be sold under brand name of CGD Company.

▪ **Quality Parameters**

- Supply of CBG shall be as per IS 16087:2016 standards. Filtration unit, Drying unit and Online Gas Chromatograph / Gas Analyser shall be used to ensure CBG is compliant to IS 16087:2016 standards. CBG shall be compressed at 250 Bar pressure during delivery.
- APPLICANT shall have a well-equipped laboratory, online Gas Chromatograph/ gas analyser and all relevant testing equipment.
- All lab equipment maintained by the APPLICANT shall be duly certified periodically by a Government Approved Testing Laboratory.
- Test reports certified by APPLICANT shall accompany each batch of supply.
- CGD Company shall have right of independent sample testing, which shall be binding on all Parties.

▪ **Supply Conditions**

- The production of CBG shall be synchronized to market demand with increase in production gradually to meet market demand.
- The term of commercial agreement shall be 10 years. The same shall be extended on mutual consent.

- **Supply Disruption**

- In the event supplies are not maintained for a continuous period or are intermittent, CGD Company shall be free to either suspend supplies or terminate the commercial agreement and obtain CBG / CNG from other sources at producer's risk & cost.

- **Approvals**

- Seller shall obtain all necessary statutory approvals for its Facility and Equipment.

- **Safety Procedures**

- Both parties shall follow all the applicable safety procedures.

IV. INTEGRITY PACT

APPLICANT shall also have to essentially sign an Integrity Pact (IP) as applicable for concerned CGD Company before entering into commercial agreement with the CGD Company.

V. GRIEVANCE REDRESSAL MECHANISM

Any dispute arising out of this EOI shall be resolved amicably through discussions in good faith with a view to expeditiously resolve such dispute. In the event the dispute persists, the Parties agree to resolve the dispute by conciliation in accordance with provisions of CGD Company, if applicable.
